

**Central Shippee, Inc.**  
**Material Safety Data Sheet**

**1. PRODUCT AND COMPANY IDENTIFICATION**

Product name: DURAFELT, Non-woven FELT

Company Information: Central Shippee, Inc.  
46 Star Lake Road  
Bloomingdale, NJ 07403  
United States of America  
973-838-1100

Emergency Telephone: Chemtrec 1-800-424-9300

**2. COMPOSITION / INFORMATION ON INGREDIENTS**

Components:	<u>CAS No.</u>	<u>Average Concentration</u>	<u>Concentration Range</u>	<u>Units</u>
Polyester Fiber Web	25038-59-9			***this material may be 100% PET, 100% Acrylic or a blend depending on availability or fiber and / or customer specifications.
Acrylic fiber	N/A			
Minor Pigments – Additives	N/A			

***This material is an "Article" and is considered non-hazardous per the OSHA Hazard Communication Standard 29-CFR 1910.1200.***

**3. PHYSICAL / CHEMICAL CHARACTERISTICS**

Boiling Point	NA
Specific Gravity	NA
Vapor Pressures (mm Hg)	NA
Melting Point	258 C
Vapor Density (Air=1)	NA
Evaporation Rate	NA
Solubility in water	Insoluble
Appearance and Odor	Non-woven fiber web, adhesive backing, no distinct odor.

#### 4. FIRE AND EXPLOSION HAZARD DATA

Flash point                    NA    Combustible Solid                    LEL    NA                    UEL    NA

Extinguishing media:                    Water fog, foam Dry (ABC)

Fire Fighting Procedures:                    Use full bunker gear including NIOSH approved breathing apparatus.

Unusual Fire and Explosion hazards:    None known.    Treat as solid that burns generally with low smoke density.

#### 5. REACTIVITY DATA

Stability:                    Stable                    No known conditions to avoid

Incompatibility                    Strong Oxidizing Agents

Hazardous Decomposition or By Products                    CO, CO<sub>2</sub>, and small amounts of aliphatic and aromatic hydrocarbons.

Hazardous Polymerization                    Will NOT Occur                    No known conditions to avoid

#### 6. HEALTH HAZARD DATA

Routes of entry                    Inhalation – NA                    Skin – NA                    Ingestion –NA

Health Hazards                    None Known

Carcinogenicity                    NTP–NA                    IARC monograph–NA                    OSHA Regulated–NA

Signs and Symptoms of Exposure                    Fine dust may cause mechanical irritation.

Medical Conditions Generally Aggravated by Exposure

Pre-existing eye and respiratory disorders may be aggravated by product dust.

Emergency and First Aid Procedures

Flush eyes with water for at least 10 minutes.

Contact with molten material should be treated as a thermal burn.

Seek medical attention for all burns, particularly if in the facial area.

#### 7. PRECAUTIONS FOR SAFE HANDLING AND USE

Steps to be taken in case material is released or spilled

Shovel, sweep or vacuum. Avoid generating dust clouds

Waste Disposal Method

Place in appropriate container and dispose of on compliance with all Federal, State and Local ordinances.

Precautions to be taken in Handling and Storing

Treat as a solid that can burn.

Other Precautions

Store away from oxidizing agents

## 8. CONTROL MEASURES

Respiratory Protection

NOT Required. Appropriate dust mask can be used if dust is present.

Ventilation

Mechanical (general) – Recommended

Protective Gloves

NOT Required.

Other Protective Clothing

NOT Required.

Eye Protection

ANSI Z87 safety glasses recommended

Work / Hygienic Practices

Use good hygienic practices and procedures.

=====
